Registration Form for **Pedals, Pipes and Pizza**---sponsored by the Greater Hartford AGO

A **Pedals, Pipes and Pizza** is an opportunity for young musicians to hear, play and learn about the King of Instruments—the pipe organ. The Greater Hartford Chapter of the American Guild of Organists will offer this event on Saturday April 24th at three churches. It is not necessary for parents to stay for the event. We are accepting registrations from students ages 8-14 only.

There will be presentations on the organ, on its history and on the physics of pipes. Each student will have a chance to play the instruments that we will visit. Bring music—a favorite piece or two to try on the instruments. There is room in the schedule for 15 playing students and 5 non-playing. Previous PPP's have filled rapidly, so reserve your spot early! Deadline for registration is Mar 15.
